Subject:- Expressing Gratitude for the trip

Respected Principal Sir,

I express my heart felt gratitude to you for organising the extra ordinary trip to Vizag. This was a wonderful opportunity for us to explore places, learn about them and enjoy. The trip was not only enjoyable but also educational as we learnt about the fascinating borra caves (stalactites and stalagmites), Submarine and the light house.

Once again, thank you for this enjoyable yet affordable trip. I truly appreciate your thoughtfulness. These memories from the trip are really special.

Yours faithfully

C. Khyathirmai
