

Respected principal sir,

I wish to share my gratitude for selecting and supporting our visakhapatnam trip, This experience has thought me many things such as communicating, we met many locals during this trip and I heartfully thank you sir, for providing this trip.

We visited several remarkable places, learned fascinating facts about the local history, we the students had so much fun during this trip and we hope that there will be more trips for us to look forward to!

And as per the feedback we had so much fun bonding with the teachers and this trip made this year of our school life the memories to be filled with - more memorable, and sir, I have noticed that we have not followed the schedule for some places due to insufficient time so I recommend to make them a little longer so that we can cover all the places with no rush

and lastly, thank you sir for giving us such a wonderful opportunity to learn beyond the classroom and create lasting memories.

With sincere thanks,

Yours obidiently
