Respected Sir

Subject:- Sharing my Learning, experiences, and constructive
feedback to make future trips

I am so thankful for this trip to Vizag. I could learn and
observe how a trip is planned as follows:

- Google meet with parents
- Student medication information form.
- Parents Consent form
- Alloting incharge class teacher for each group.
- Travel agency
- Good Accomodation, good food, with good safety
measures throughout the trip
- I could enjoy the trip a lot by being with my
friends and mya Sree mam.
- I could learn how to be without my family and
doing my own things as it was my first time I left
my parents and brother which is a very new
experience and I could value what really they're to me

Thanking you Sir.

Yours Faithfully
P. Lisa Ananya
