To,

The Principal Sir

Hyderabad public School Kadapa

Putlampalli, Opposite to RIMS

Feedback and Suggestions on the recent School trip.

Respected principal Sir.

I hope this letter finds you well. I am writing to express my sincere appreciation for the recent School trip to Vizag from 23-9-2025 to 27-9-2025. It was a truly enriching experience that allowed us to connect classroom learning.

With real-world applications in a practical and memorable way.

While the educational visit were excellent, integrating more workshops or interactive sessions where students can actively participate would make the learning more impactful.

Thank you

B. Joshitha Reddy
