

TO,

The principal,

The Hyderabad Public School, Kadapa,

Respected Sir,

I am writing to share my experience and learning from our recent educational trip to Visakhapatnam. It was a truly enriching journey filled with exploration, discovery, and joy. During the trip, I learned about marine life, historical monuments and the cultural heritage of the region. Visiting places like the Submarine museum, lighthouse, and Jarra Caves helped me connect our classroom lessons with real-world experience. I also learned important life skills such as discipline, teamwork, time management, and gratitude. The trip was very well-planned and memorable. It was a wonderful experience, and I thank you sincerely for providing us with such a great learning opportunity.

With Warm Regards,

Yours faithfully,

Gr. V. Rama Tanuitha Reddy
