(Sub:- Gratitude letter for the vizag trip)

Respected Sir

I would like to inform you that the Teacher had the responsibility of taking care of the students during the school trip to vizag which took place from 23/9/25 to 28/9/25.

During the trip, they supervised the students activities, ensure their safety, maintained discipline, and guide them through out the journey and stay.

It was a great experience accompanying and supervising the students during this educational trip. I sincerely thank the school management for taking care of us.

Thanking You

Yours Faithfully
