Respected Sir,

Subject :- Letter about recent trip to Vizag

We started the trip at the Kadapa Railway Station at 4:30 pm. Me, Giri Vardhan bro of class 10 and all teachers were there. Slowly people started to arrive and in the distance, I saw my best friend. After some time, we entered the train and said our goodbyes.

From here starts the actual trip. The 10th sisters were singing songs, shouting, etc. My class people were playing cards, talking. We ate snacks, passed it around, lot of fun. At night, we made our beds and slept. Very nice night. I forgot to mention that for dinner, we went to another berth to meet with our friends.

The next day we were provided breakfast and at 11:30 am, we reached. We went to the bus and it was a long drive to the hotel. We reached and freshened up and went to eat lunch.
