Subject: Letter Of gratitude for annual concert

Respected Sir,

Greetings. I am Aarav from class 7A, Roll.no-7 at your wonderful institution, The Hyderabad Public School Kadapa, Kadapa. I am writing this letter to express gratitude for your effort to make this year's annual concert such a memorable experience.

Although there could be some improvements that can make this annual concert better, I understand that this is the first annual concert ever hosted in HPSK and this is the best first annual concert ever to be hosted.

This annual concert had a great choir with amazing musical performances and their costumes fit perfectly with the songs they composed.

There were beautiful dances performed by the primary students too. But the skits & songs felt a little boring. A suggestion from my mom was to add more movie songs and make the more interesting.

The entrepreneurship stalls added a beautiful addition to this wonderful concert.

There were so many different types of stalls like pani-puri stall, boba stall, and unique games and crafts stalls. I and my team members also made a stall. It was called 'Crafty Corner' and it was stall.no-14.

This annual concert was a great experience. I am extremely thankful for being able to participate in this program.

~~Sincerely~~  
~~Aarav~~ From this stall, I got ₹8080 profit. 5 members got each ₹300 and other 7 members got each ₹830 approximately. The reason for this is because those 5 members' products did not sell.

Sincerely

Aarav
