Subject :- Thanks for this wonderful movement.

Dear Sir,

Sir Thanks for keeping the 20th Annual Concert. This concert was the wonderful concert that I have seen. The stall festival organized by our school was new. These stalls engaged us in entrepreneurship, business ideas and so many. Our stall got the double of our investment. We invested ₹ 400 and got ₹ 800 as profit. This was a wonderful experience in my school time.

And the second thing I liked was music, in fact I am
a part of that. Me and my friends sang a song in front
of
around 5000 members. The dance the skit
everything was so elegant. My parents were so
proud of me for being part in everything.

finally, sir I am too lucky to be in this school and
thanks for giving us this great opportunity.

Your's sincerely

Jharuni
