Subject - Showing my gratitude ^{to} the respected principal
Respected principal,

I am writing this letter to express my gratitude because of the wonderful Annual day the stall & the amazing (annual) annual concert, I was a part of both and I think they both came together very well I heard many positive words from others (Good feedback) like my parents, neighbours, relatives and I am very happy happy and ~~pleased~~ pleased to hear (the. compl) etc.

At the end of the day I really ~~appreciate~~ appreciate the work you and the teachers and the staff have put, I think the hard work the team had kept really paid off, overall it is definitely a great experience.

yours, truly

P. Namshika
