(Subject: Showing my gratitude to the respected principal)

Respected Sir,

I am writing this letter to you to express my earnest feelings about the annual concert. I just loved the concert and it was the first time I had that much fun in school and I also liked the experience of the stalls and the school had looked beautiful in the concert.

The stalls were an amazing experience and I shall always remember. Thank you for making such a memorable event and experience. I thank the Principal Best Principal ever for this opportunity you have given.

Yours Truly

K. Hithaishi
