Dear Sir,

I am expressing my heartfelt gratitude for conducting a fabulous Annual meet in our school sir. From my 1st class of this school, this was my first annual day sir.

I have participated in the stalls that are conducted at annual day sir and it was my first business sir. It improved my business skills sir. Sir can you increase the no. of stalls per a class sir.

My stall in the annual day was a food stall sir. We were a team of 10 members, we have invested 7000 INR & we gained a profit of 7500 INR sir. I believe that our next annual day will be a far more incredible sir.

Thank you

Yours truly
