

Dear Principal,

I'm writing to express my heartfelt appreciation for the incredible annual function event at our

School. It was an absolute blast.

We were honored to have the DC of Kadapa Chairman of HPS, and the board directors attend the Program. The event kicked off with a thrilling performance by the school band, followed by the Band vengeance band, which got everyone grooving. Over 100 students participated in the Band Performance and it was truly electrifying!

The dance performance by students from Primary to Secondary sections were outstanding showcasing the incredible talent in our school. The event also featured numerous stalls, including arts, food, juice carts, and book stalls, which added to the excitement.

What truly stood out was the massive turnout. We had over 3000+ audience members, making it a truly memorable experience. The energy and enthusiasm of the students, teachers, and guests were palpable, making it a day to cherish.

Kudos to the organizing team for their hard work and dedication in making this event a huge success!

Thank you for creating such a wonderful experience for everyone.

Yours obediently
