Respected Sir,

Subject - My experience on the day of Annual concert.

Sir, I am K. Surya of class 8A. It is to inform you that the Annual day we celebrated was organised excellently. All the parents and the students enjoyed it very much. This is also the first Annual concert since I have ~~been~~ joined this school sir. There were a lot of guests who inspected the stalls sir.

This was a wonderful opportunity to showcase our skills sir. I was in a stationery stall, which we invested ₹5000 and made profit of two thousand rupees sir. And the dance performed by the students, who had been practising very hard, were exceptional. And at the last we thank you sir for this opportunity sir.

Yours Sincerely,

Surya
