Subject: - A thanking letter for the annual day.

Respected sir,

I am S. Abhineet Skanda of Class 8, studying in your school. The annual day which was held a few days ago, is a memorable experience for me. The stalls were nice, with food, stationary games and more; but the actual concert and play were mind-blowingly spectacular. All down to the choir, to the lead singer, the guitarists, <sup>they</sup> were all putting in ~~100~~ one-twenty percent of their efforts! The play was also a very cute, funny and memorable one for me. Next year, let's break through this limit and make it a jaw-widening performance!

Thanking you

Yours obediently  
S. Abhineet Skanda,
