

5th Feb 2026,

Respected sir,

I am T. Vivan Karthikeya from class 8A, our school is represented as the vigilant school till now the parents are saying ~~assembly~~ this school is excellent but after this annual concert the best school in our parents mind. We expected good performance but you gave 100% efficiency and made the performance excellent. The students have logged out from our school before they are wishing to join again to ~~the~~ our school because of you and ~~and~~ our annual concert. I am great full to you because for giving us this opportunity for keeping stalls. We got loss but we got experience. I have joined in this school in 1st class from 2018 I haven't seen this performance and the excellent principle for us.

Thank you
sir for
Reading my
paper with
a presence.
