Subject: - Reviews on annual day

Respected Principal,

I am writing this letter to you to thank you for setting up stalls which were part of our school's annual day. Because of this experience we enjoyed a lot and also it was very helpful for us to improve communication skills which are very helpful in our future. Through this experience we learnt that setting up a stall is not only selling items for profit it is a program which helps us to know about ~~the~~ Marketing and etc. I feel very happy with the work I have done.

Thank you

Yours's Sincerely
