Respected principal sir,

I am C.T. Meenakshi of class 8A writing you about the annual day. I am writing to express my Heartfelt appreciation for the incredible annual function event at our school. It was an absolute blast and the dance was incredible. It also featured numerous stalls, which was added to the excitement. Thank you, principal, sir, for giving a memorable day ever.

Yours obediently,  
C.T. Meenakshi.
