December 6th:

Voices of Change: Essay Writing Competition (Classes 7–10)

An Essay Writing Competition was organized for students of Classes 7 to 10 on the theme “*Social Problems Existing in Society.*” The young participants expressed their ideas with creativity and awareness, highlighting real-life issues and suggesting meaningful solutions. This activity nurtured critical thinking, social responsibility, and effective written communication. Among the talented participants, **Miss Thanvitha** secured the **First Prize**, **Miss Sohana Krishna** won the **Second Prize**, and **Miss Vignitha Reddy** achieved the **Third Prize**. Their inspiring words reflect the power of youth to bring change and stand as a beacon of hope for a better society.

December 6th

AIR-Programme

An engaging radio programme was organized with the eaglets participation from Classes 3 to 10. The programme provided students with a unique platform to build self-confidence, showcase their talents, and express their thoughts with enthusiasm. This AIR programme offered a refreshing experience beyond academic learning, bringing out the lively spirit and eagerness of the students. By adhering to fixed time slots during the broadcast, participants also developed a sense of time management and discipline. The initiative helped Gen-Z learners realize that, apart from digital platforms, All India Radio continues to be a vibrant and meaningful medium of expression.

December 8th

-Cross-Country Challenge: Strength in Every Step

Students participated in the Cross-Country event with great enthusiasm, demonstrating remarkable determination, discipline and resilience. The run promoted physical fitness and endurance while encouraging students to push beyond their limits. The event inspired the children to highlight the importance of healthy and active lifestyle.

-Eureka Juniors Final Round at IIT Bombay

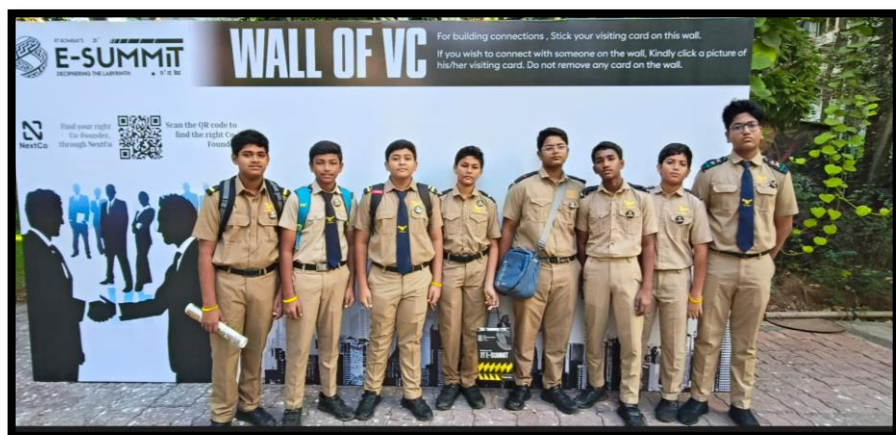

Miss Bhavya Varshita and Miss Veekshita Manohar from Eureka Juniors secured the Fourth Position at the final round of a prestigious competition held at IIT Bombay. Beginning their journey on 8th December, they showcased enthusiasm, perseverance, and innovation throughout the event. Their project, *Reflexa – Mind Mirror*, focuses on children's well-being and is specially designed to support introverted children by helping parents and children understand the child's state of mind and follow tasks in a structured manner. This achievement stands as a proud milestone, highlighting their creativity and commitment to meaningful innovation.

Eureka Juniors- e Summit- IIT Bombay

Another batch of talented students proudly represented the school at IIT Bombay by participating in a project on the **Gig Economy**. The team comprising **I. Ashok Kumar Reddy, P. Phalguna Teja, C. Kruthik Reddy, Venkata Subba Reddy, Sreenath Reddy, N. Maneeswar Reddy, Akhileswar Reddy, and Athulith Reddy** showcased keen insight, teamwork,

and innovative thinking throughout the event. Their participation reflects their growing awareness of contemporary economic models and their confidence in engaging with real-world concepts on a national platform.

December 12th to 16th

WOW Championship Recycling Challenge: Young Minds Driving Sustainability

Students actively participated in the WOW Recycling Championship. The programme aimed to create awareness about the importance of recycling and responsible waste disposal, encouraging students to adopt eco-friendly habits in their daily lives to be a responsible citizen of the world.

December 11th

NSO National Science Olympiad

The National Science Olympiad (NSO) was held in the school on 12th December. Students actively took part, demonstrating curiosity, scientific understanding, and problem-solving abilities while exploring concepts beyond the classroom.

December- 12th

IMO International Mathematics Olympiad

The International Mathematics Olympiad (IMO) was conducted in the school on 11th December. Students participated with enthusiasm, applying their logical reasoning and mathematical skills to solve challenging problems and strengthen their analytical thinking.

December- 13th

A one-day AI Samarth Teachers' Cascading Workshop was conducted to enhance teachers' digital and AI-based teaching skills. The workshop supported effective integration of technology into classroom learning.

December 16th – 24th

Global Youth Challenge

N. Achyuth Reddy of Class 10A is qualified for the Global Youth Challenge. In which he presented a prototype for making work easy. By using AI we can generate presentations and documents in a few seconds.

December 17th

Trailblazers of Innovation: IIT Madras Shaastra JMT 2026,

The Hyderabad Public School, Kadapa

Master L. Ashok Kumar Reddy, Master K. Chanakya Rama, and Master L. Akhileswar Reddy have earned a coveted place in the prestigious **IIT Madras Shaastra Junior Make-**

a-thon (JMT) 2026, a recognition that celebrates their brilliance and determination. Their selection stands as a powerful testament to their innovative thinking, technical mastery, and unwavering passion for solving real-world challenges. With creativity as their compass and perseverance as their fuel, these young visionaries have proven that the courage to dream and the drive to build can open doors to extraordinary opportunities. Their achievement not only marks a milestone in their journey but also inspires countless others to believe in the power of ideas and the impact of dedication.

December 18th

Scientific brilliance shines bright in HPSK!

VIDYARTHI VIGYAN MANTHAN 2025–26 Miss Hemamrutha and MrVedanthReddy, two exceptional young minds, have been selected for the prestigious **State-Level Camp of Vidyarthi Vigyan Manthan 2025–26**, a testament to their deep curiosity, analytical thinking, and love for

science. Adding to this wave of achievement, **123 students** have successfully qualified for **Round 2 of InquiVids**, showcasing a vibrant culture of scientific inquiry and innovation among the youth.

The future of science is in brilliant hands—and it begins here.

December 20th

Little Champs, Big Dreams- Pre-primary sports day

The Hyderabad Public School proudly hosted its Pre-Primary Sports Day, filled with fun and excitement. Young learners participated in the 50m sprint, race running, and long jump, showcasing energy and talent. Winners were awarded medals by the School Principal, while parents and teachers cheered on. The event was a joyful celebration of teamwork, confidence, and youthful spirit.

-JKLU- IIT-JK Lakshmipath University

During the **Ideathon – My City My Lab**, our students presented **Ecoverse AI**, a web-based AI solution that improves waste segregation by helping users identify different types of waste and guiding proper disposal. With its **multi-LLM feature**, users can explore advanced AI models to learn in detail. **N. Achyuth Reddy, Akhira Nandan, and Jayesh Reddy** represented our school and **secured 4th position**, gaining valuable exposure to innovative learning and higher-education opportunities.

December 21th
