February 6th

Our students of class 4 had a wonderful and memorable educational trip to Tirupati .The trip was not only enjoyable but also highly educational. It helped the children understand wildlife conservation, observe animals in their natural surroundings, and develop curiosity about nature. One very interesting observation was that a few students carefully noted down important points and facts during the visit, showing great enthusiasm and a strong interest in learning.

February 7th

Our students of class 4 had a wonderful and memorable educational trip to Tirupati on 7th February 2026.

The students assembled at school early in the morning and started their journey at 7:00 am. Breakfast was served idli, peanut chutney, and veg vada. The children enjoyed the meal and were excited for the day ahead.

They travelled to Tirupati by bus and had a delightful time throughout the journey. The bus was filled with laughter as students sang songs and danced joyfully with their friends.

After reaching, the students were served mini meals for lunch, which they enjoyed together. One of the most exciting parts of the trip was watching an amazing 3d show. The visual effects were impressive, and the students were thrilled by the experience.

HPSK Class 3 students had a wonderful and memorable educational trip to Tirupati on 9th February 2026. The children assembled at school early in the morning, filled with excitement and curiosity. The journey began at 7:30 a.m., as parents gathered to warmly see off their children and wish them a joyful and safe trip.

The visit was both educational and entertaining. The students thoroughly enjoyed the engaging 3D show, which offered a unique visual learning experience. The planetarium show was one of the main highlights of the day, where students explored the wonders of space and

learned interesting facts about planets, stars, and the universe.

Apart from the enriching learning experiences, the children had a delightful time with their classmates and teachers.

February 10th

🏆 International English Olympiad – HPSK Winners are qualified for the next level

We are proud to announce the outstanding achievers of the International English Olympiad from HPSK! These young learners demonstrated excellent language skills and a strong command of English in this competitive examination.

Congratulations to our winners:

🌟 Gold Medalists:

- **S M B Akshara – Grade 3B**
- **S Aira Mumtaz – Grade 4C**
- **S Saadiya Ahamad – Grade 5B**
- **K Aryan – Grade 6A**
- **S Pavan Tej – Grade 7C**

We applaud all participants for their hard work, dedication, and enthusiasm. A special congratulations to our medal winners for bringing glory to HPSK!

Your achievement inspires us all, and we wish you continued success in all your future endeavours. 🌟

February 11th

February 16th

🏆 International Math Olympiad – HPSK Champions

We are thrilled to celebrate the remarkable achievers of the **International Math Olympiad** from **HPSK**! These bright young minds demonstrated **exceptional logical thinking, problem-solving skills, and a deep understanding of mathematics** in this prestigious competition. Their hard work, dedication, and perseverance have truly paid off, making HPSK proud.

Congratulations to our outstanding winners:

🌟 Gold Medalists:

- **P Praneeth Reddy – Grade 3B**
- **D Abhay Ram – Grade 4A**
- **G Bewin Nandan Reddy – Grade 5A**
- **Karyan – Grade 6A**
- **B Jathin Simha – Grade 6A**
- **A Priya Hasini – Grade 7C**
- **K Surya – Grade 8A**
- **A Moukthika – Grade 9B**
- **K Gnana Aasrith Reddy – Grade 10B**

Each of these students has shown outstanding mathematical ability and determination, setting an inspiring example for their peers. Their success is a testament to their **hard work, focus, and love for learning**.

We applaud all our participants for their enthusiasm and commitment to excellence. A **special congratulations to our medalists** for bringing pride and glory to HPSK!

Keep shining, exploring new concepts, and reaching for greater heights in every challenge you take on. Your achievements inspire everyone around you! ✨

February 18th

📖 International Science Olympiad – HPSK Qualifiers

We are delighted to announce that five brilliant students from HPSK have successfully qualified for the second round of the International Science Olympiad! Their exceptional curiosity, analytical skills, and passion for science have helped them achieve this remarkable milestone.

Congratulations to our qualifiers:

- **C Reyansh Sudan – Grade 3A**
- **S Aaira Mumtaz – Grade 4C**
- **Mohammed Tawfeek Shaikh – Grade 5C**
- **M Nihira Aadhya Reddy – Grade 6A**
- **B Hemamrutha – Grade 10A**

These young scientists have shown outstanding understanding and application of scientific concepts, and their achievement reflects their hard work, determination, and enthusiasm for learning.

We applaud their success and wish them the very best as they prepare for the second round of this prestigious competition. May they continue to explore, experiment, and reach new heights in the world of science! ✨

February 17th

The students of HPSK appeared for the board examinations with confidence and focus. The school made thorough arrangements, providing all necessary resources, guidance, and a supportive environment to ensure that the students could prepare effectively and perform to the best of their abilities.

February 19

Middle and High School Students Attended Online Student App Training on Interactive Panels

Middle and high school students actively participated in an online student app training session focused on the effective use of interactive panels. The session introduced learners to the features and functions of digital panels, helping them understand how technology can

support smart learning, presentations, and classroom collaboration. Students showed great enthusiasm while exploring the tools, asking questions, and practising the applications in real time.

The training aimed to enhance students' digital skills, build confidence in using modern classroom technology, and encourage more engaging and interactive learning experiences in the future.

February 23rd

Our tiny eaglets of Hyderabad Public School appeared for their annual examinations this week in a well-organized and disciplined manner. The examination process was conducted smoothly under the careful supervision of the faculty, ensuring a calm and supportive environment for all learners.
